

Office of the City Forester Licensed Tree Contractor List

Per [Chapter 57 of the Denver Revised Municipal Code](#), a Tree Contractor License is required to perform any tree maintenance in the City and County of Denver. Licensing by the Office of the City Forester occurs after the applicant has successfully passed both a written exam and field practical as well as provided required the documentation, including proof of minimum insurance coverage requirements. Licensing does not guarantee quality of work, and the City and County of Denver does not endorse any one company on the list.

Prior to entering a contractual agreement with a licensed tree service contractor, the Office of the City Forester recommends checking the contractor's credentials and references, as well as receiving a written, detailed estimate (bid) from three to five companies. Tree work is considered a service industry, and as such, companies charge a rate they feel their time and expertise warrants. Estimates may be free of charge and payment options or discounts may be available upon asking. The Office of the City Forester does not charge a fee for required tree planting or removal permits.

Use the following links to learn more about professional organizations associated with urban forestry and to verify credentials and memberships:

International Society of Arboriculture (ISA)

www.isa-arbor.com

Promotes the professional practice of arboriculture and fosters greater awareness of the benefits of trees. Click on "Find an Arborist" to verify credentials.

Tree Care Industry Association (TCIA)

www.tcia.org

Dedicated to advancing education and professional development, improving safety and providing proper tree care. Click on "Find Qualified Tree Care" to check credentials.

American Society of Consulting Arborists (ASCA)

www.asca-consultants.org

Consulting Arborists are authoritative experts on trees, whose objective, comprehensive viewpoint ensures the safety, health and preservation of trees. Click on "Find a Consulting Arborist" to check credentials.

Colorado Department of Agriculture (CDA)

www.ag.colorado.gov

CDA's pesticide program regulates the distribution and use of pesticides to prevent adverse impacts to the public and environment. A license is required by the State of Colorado for pesticide applications. Ask the company for their Applicator License Number/ID and business address. To search for a licensed applicator, click here; <https://ag.colorado.gov/plants/pesticides/pesticide-applicator-search>. Type the name of the contractor into the name bar and select Denver in the Counties list. Click search and scroll down to see the list.

Better Business Bureau (BBB)

www.bbb.org/local-bbb/bbb-great-west-pacific

BBB sets ethical standards for business conduct. Type in the company name in the "Find business, charities, category."

On the list below, "L" denotes a license that allows a company to leave the ground to perform tree work.

"O" denotes a license that requires all tree work to be performed from the ground.

List is reviewed monthly.
