The Report of Contributions and Expenditures is a financial report required for all committees or parties that accept contributions or make expenditures to support or oppose a candidate or an ballot measure seeking access to the ballot and/or a referendum placed on the ballot by a governing board (e.g. general assembly, commissioners, etc.). The report is comprised of 7 basic data entry pages along with several informational and instructional pages. The data entry forms consist of the Report of Contributions and Expenditures with the Detail Summary, Schedules A, B, C, D and the Statement of Non-Monetary Contributions. Completion of Schedules A, B, C, D and the Statement of Non-Monetary Contribution forms should be done prior to completion of the Report of Contributions and Expenditures and Detail Summary pages. Listed below are brief descriptions of what each data entry page accomplishes to help you complete and finalize this report.

You may itemize expenditures \$19.99 and under on this form, if you do then you'll need to exclude them from the non-itemized expenditure total on the detailed summary page (line 15).

### **Schedule C**

This form details loans received and repaid by the committee/party. (Money received by committee from a financial institution and/or repayment of a loan to a financial institution.)

### **Schedule D**

This form allows the committee/party to account for either a contribution or expenditure that has been made and is being returned to the committee/party.

**Statement of Non-Monetary Contributions (In-Kind)**

This form details contributions received that are tangible and can be assessed a fair market value. Expenditures on behalf of a candidate that are coordinated with or controlled by the candidate, candidate's agent or the political party shall be counted as a contribution to and expenditure by the candidate committee or the political party.
