

WESTMINSTER  
MUNICIPAL COURTHOUSE PROJECT

---

## CONSTRUCTION UPDATES

**Project Progress Update: December 4, 2025**

### **Upcoming Turnpike Drive Closure:**

Monday, December 8, Turnpike Drive will be closed from Grove Street to south of W. 76th Avenue for approximately one month for utility installations. Learn more below.

### **Saturday Work Begins:**

Beginning Saturday, December 6, crews are expected to begin new working hours that include Saturday work. Learn more below

## Upcoming Turnpike Drive Closure

Beginning Monday, December 8, Turnpike Drive is expected to be closed to all traffic from Grove Street to south of 76th Avenue for approximately one month. Please anticipate the following:

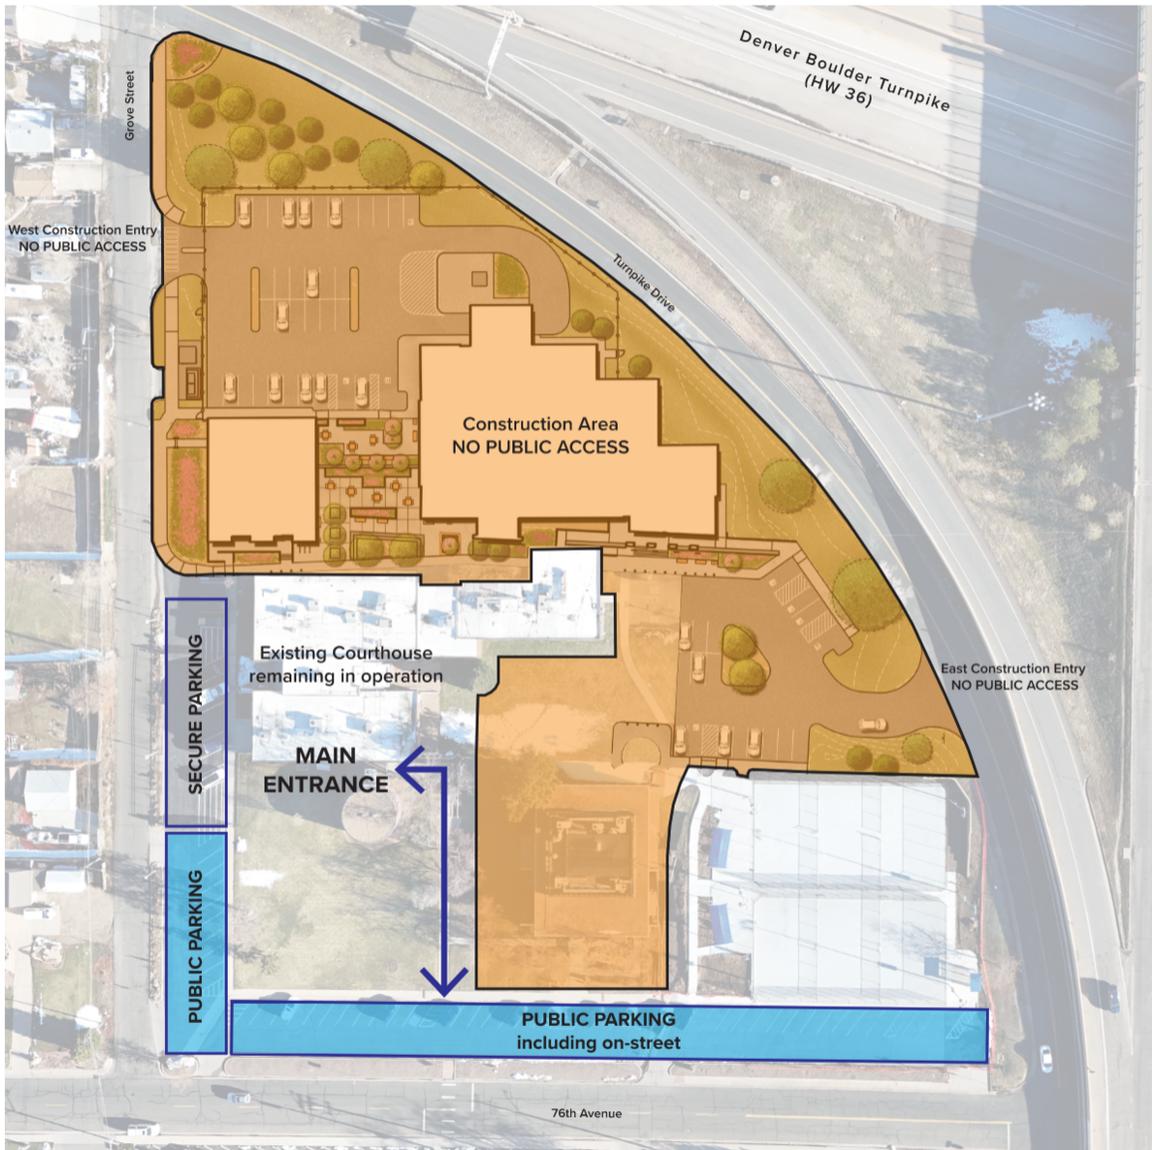

- **Access will be maintained to the Holy Trinity Catholic Church southern parking lot and Administrative Building.** Only local traffic to Holy Trinity and business alley access from Turnpike Drive will be permitted.
- **Only right turns for southbound traffic at W. 76th Avenue to Turnpike Drive will be allowed.**
- **No northbound traffic will be allowed on Turnpike Drive beyond the Holy Trinity parking lot.**
- Please follow posted detour routes along W. 74th Avenue and Lowell Boulevard.

## **Saturday Work Expected**

Beginning Saturday, December 6, crews are expected to begin new working hours that include Saturday. Crews will begin work no earlier than 8 am on Saturdays. By allowing crews to work on the weekends, we are able to build the project more efficiently and allow crews more daylight working hours in the winter. Saturday work is expected to last through the rest of 2025 and into spring 2026.

Thank you for your patience as we work to build your new courthouse safely and efficiently.

## What Work Has Been Done

Crews have been working on installing new infrastructure over the past few weeks, including:

- Site grading
- Sanitary sewer tap and utility installation along Grove Street
- Foundations and underground work
- Elevator structures
- Underground plumbing and backfill

**Check out our crew's progress below!**

## Contact Us

Thank you for signing up for email updates. If you have questions, please feel free to contact the project team at [municourtproject@westminsterco.gov](mailto:municourtproject@westminsterco.gov) or 720-465-5438.

For more information about the project, [please visit our project webpage](#).

## About the project

The City is replacing the Municipal Courthouse building on Turnpike Drive. The current courthouse is more than 60 years old. Originally constructed as two smaller buildings, which served as City Hall and the police station, the two buildings were merged to form the existing facility over multiple renovations and additions.

Because it wasn't purpose-built as a courthouse, the Court faces many challenges in its daily operations. It lacks standard safety and security features for modern courthouses, and accessibility is inadequate because most of the buildings were constructed before the Americans with Disabilities Act (ADA) was passed.

The new courthouse and a new Community Reach Center building will be built on the existing courthouse's parking lot, which will allow the courthouse to remain fully operational during the anticipated two years of construction.

The City worked closely with neighbors and community members throughout the design process to ensure the courthouse campus reflects community priorities. In addition to a more safe, secure, and accessible courthouse, the site will feature a new park and playground for the community.
