Recommended Board Action

Pass Councillor's Bill No. 60 on second reading to approve the inclusion of Westminster Economic Development Authority land into the Downtown General Improvement District.

Summary Statement

- General Improvement Districts (GIDs) are a financing tool utilized to help fund improvements and operational costs within certain developments to ensure financial sustainability.
- Under a GID structure, a property tax mill levy is assessed on owners within the GID boundaries as they are the primary beneficiaries of public improvements, such as streets, lights, parks, parking improvements, etc. to be built and maintained for the benefit of the users.
- The City of Westminster Downtown GID was established on August 24, 2015, and a mill levy not to exceed 50 mills was approved at the November 3, 2015 election.
- Including the WEDA-owned property at the Downtown Westminster site into the GID would facilitate funding of improvements and services for the new Downtown.
- The GID received a Petition for Inclusion of the WEDA-owned land at the Downtown Westminster site on November 23, 2015.
- The Clerk to the GID has published the required notices for tonight's hearing and the next procedural step is for the GID to approve on first reading an ordinance including the WEDA land.
- This Councillor's Bill was passed on first reading on December 28, 2015, after conclusion of the public hearing.
