Actions:

The SLBT reviewed all documents provided to date.

The SLBT reviewed a series of questions with the taskforce and staff.

8. SLBT Discussion and Next Steps

Actions:

a) SLBT requested the City to conduct a survey of Standley Lake staff with hands-on experience of the boating program to learn their ideas of solutions. This will be pursued and reported as soon as possible.

b) SLBT requested a boat mechanic to be present at the next meeting.

c) SLBT requested more information on ballast tanks and ballast tank filters related to ANS issues.

d) SLBT requested paddle craft permits sold this year compared to last year.

e) SLBT tracked a series of solutions to be initially explored by the taskforce, reviewed and further discussed by SLBT members at their next meeting. The initial focus discussed by the taskforce included:

- Peer Accountability
- Integrate with multi state database
- Install tags on boats using the integrity of the hole
- Additional protection of tamper proof tape
- Additional protection of swedge
- Enhanced training
- Eliminate co-owners or co-permit holders
- Balance tank filtration
- Photos of passholders
- Lake/Boat lifetime ban of any violations in future
- Ongoing/anytime audits of boats and process
- 1 boat 1 lake
- Significantly increase penalties/fines

- Possible decrease of pass holders (lottery, storage/parking issues, etc.)
